Today the Beringer Founders' Estate line of wines offer concentrated expressions of the most popular varietals, steeped in quality that comes from Beringer's history of crafting great wines from all over California for more than 140 vintages.

PINOT GRIGIO CALIFORNIA

VINEYARDS

Beringer Founders' Estate Pinot Grigio is selected from vineyards in the California Delta. These vineyards are bathed in sunshine during the day and experience cool nights that allow for even ripening of the grapes. Some fruit from the Central Coast, influenced by the marine layer, were added for bright fruit characteristics. The geographic differences between the two regions bring unique flavors and characteristics that make it an immediately appealing wine.

WINEMAKING NOTES

The winemaking team worked with Beringer's viticulture department to determine when each vineyard reached full maturity. Once fully ripened and picked, the Pinot Grigio was fermented in 100 percent stainless steel to capture its citrus and tropical flavors.

TASTING NOTES

This is a California-style Pinot Grigio that's crisp and refreshing. Aromas of lime and apple with just a hint of honeysuckle are complemented by the nectarine and apricot components on the palate. A rounded mouthfeel and balanced acidity on the finish make this a wine that pairs perfectly with a variety of light summer dishes, including shrimp ceviche or a greek salad.
